

MRO 2020 CIP Conference

“Evolutions to Plans, Processes, and Programs”

May 13, 2020 | 8:00 a.m. to 4:00 p.m. | **WebEx**

This Conference will now be held via WebEx only.

Midwest Reliability Organization (MRO) is pleased to announce that it will host a CIP Conference via WebEx, on May 13, 2020. This conference will provide information on upcoming changes to the standards that may impact your plans, processes, and programs associated with CIP-003-8, CIP-008-6, and CIP-013-1. The conference will also include a review of HEROs questions of interest submitted by MRO entities, and a focused discussion of BCSI risk considerations common to the cloud environment.

There is no fee for attendance!

Agenda Topics

- Overview of CIP Standards in Development
- Supply Chain Risk Management Plans
- Cyber Security Incident Response Planning and Implementation Considerations
- Process considerations to Mitigate Risk for BCSI in the Cloud
- Plan enhancements for Transient Cyber Assets and Low Impact BES Cyber Systems
- Response to frequent HEROs questions
