

MRO Registered Entity Training

Align and Secure Evidence Locker

February 23, 2021 | 12:30 p.m. to 3:30 p.m. | WebEx Only

OR

March 3, 2021 | 9:00 a.m. to 12:00 p.m. | WebEx Only

Midwest Reliability Organization (MRO) is pleased to announce that it will host The Align and Secure Evidence Locker (SEL) Entity Training via WebEx only, for MRO registered entities employees who will utilize Align, on February 23, 2021, and March 3, 2021. This training will provide an overview and demonstration of the upcoming changes from webCDMS to Align. Not only is the same content being offered on two separate days, but the sessions will be recorded and posted to MRO's website so that all MRO registered entities have access to the information.

Align Release 1 is scheduled to go-live on March 31, 2021, for entities registered in MRO's footprint. Entities participating in the coordinated oversight program will go-live per the schedule of the assigned Lead Regional Entity (LRE).
