Disclaimer

The Midwest Reliability Organization (MRO) Security Advisory Council (SAC) is committed to providing training and non-binding guidance to industry stakeholders regarding existing and emerging security topics. Subject Matter Experts (SMEs) develop materials, including presentations, through the MRO SAC from member organizations within the MRO Region and other government and industry security experts. The views in this presentation do not express the opinions and views of MRO.

Standards of Conduct and Anti-Trust Guidelines

Standards of Conduct Reminder:

Standards of Conduct prohibit MRO staff, committee, subcommittee, and task force members from sharing non-public transmission sensitive information with anyone who is either an affiliate merchant or could be a conduit of information to an affiliate merchant.

Anti-trust Reminder:

Participants in Midwest Reliability Organization meeting activities must refrain from the following when acting in their capacity as participants in Midwest Reliability Organization activities (i.e. meetings, conference calls, and informal discussions):

- Discussions involving pricing information; and
- Discussions of a participants marketing strategies; and
- Discussions regarding how customers and geographical areas are to be divided among competitors; and
- Discussions concerning the exclusion of competitors from markets; and
- Discussions concerning boycotting or group refusals to deal with competitors, vendors, or suppliers.

Conference Logistics

WebEx Login:

If any help is needed logging into WebEx please reach out to Marissa Falco at marissa.falco@mro.net or Lisa Stellmaker at lisa.stellmaker@mro.net.

Audio and Video Recording

Participants will be muted upon entry and will be able to unmute themselves. Please keep your mics muted at all times. Please note that Midwest Reliability Organization (MRO) may make a video and/or an audio recording of the speakers for the purposes of making this information available to board members, members, stakeholders and the general public who are unable to attend the meeting in person.

Questions:

If you have questions for a speaker, please utilize WebEx's chat feature. Please submit all questions to the "Host & Presenter". If we are unable to get all questions asked/answered during the conference, a response will be provided after the conference either directly to the requestor or through another form of outreach.

Conference Logistics Cont.

Presentations:

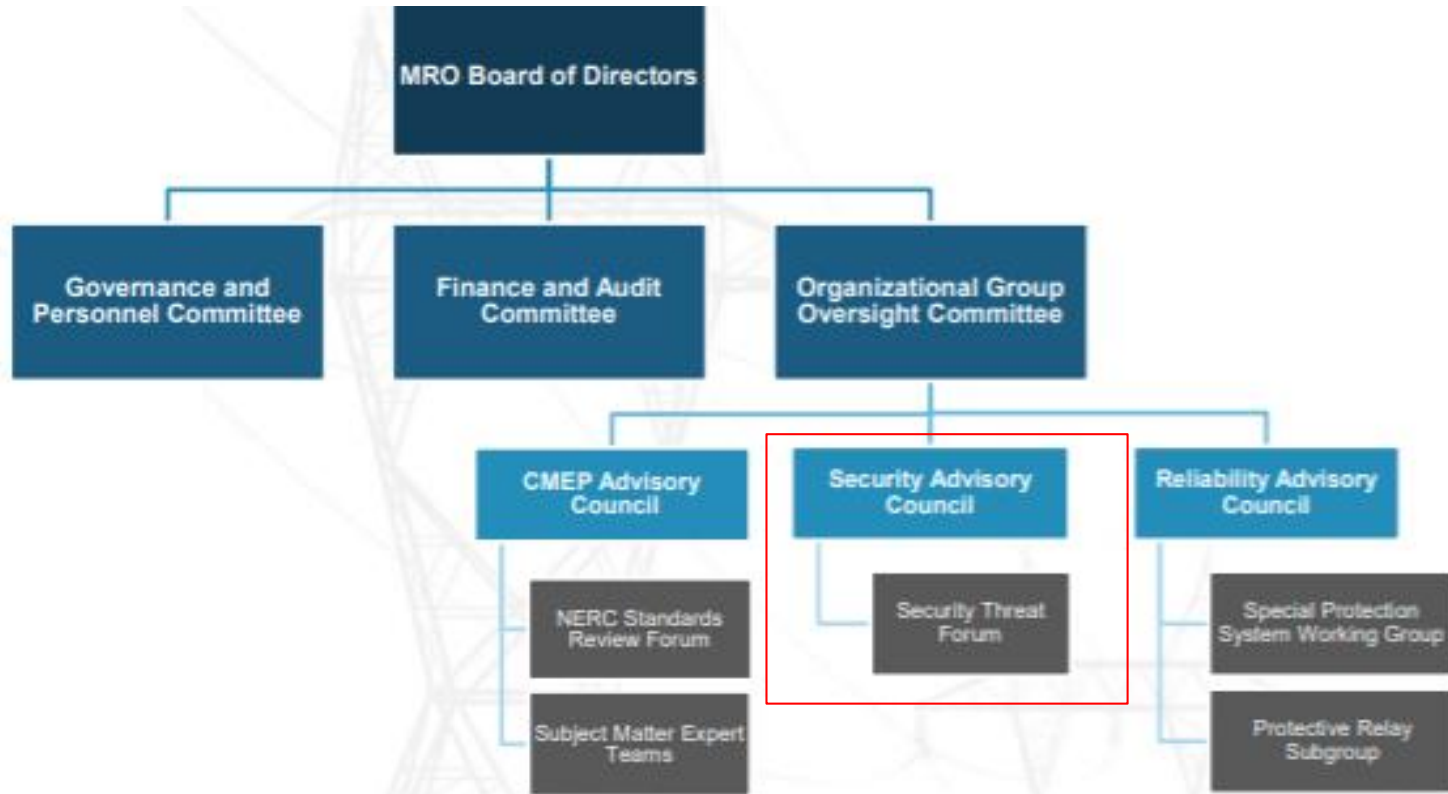

Given the nature of the presentations being given today, all of the presentation slide decks and recordings will not be made available. The presentations and recordings from today's conference that can be provided will be shared in the near future.

Feedback:

Your feedback is very important to us and is used to improve future MRO conferences and events. Please utilize the survey link at the end of this packet to provide your feedback.
