

MRO Board of Directors Election Results

November 5, 2020

Saint Paul, MN. Midwest Reliability Organization (MRO) recently solicited nominations from its industry sector members to fill seats on the board of directors that expire on December 31, 2020. Following the nomination period, electronic ballots were sent to those sectors with open seats on the board. The ballot period closed on November 4, 2020, and the election results are in!

Please join us in congratulating the following individuals on their election to the MRO Board of Directors for three-year terms that expire on December 31, 2023.

Canadian Sector

- Incumbent Iqbal Dhimi, Saskatchewan Power Corporation

Investor Owned Utility

- Incumbent Darcy Neigum, Montana-Dakota Utilities Co. (small IOU, <3,000 megawatts of end-use load)
- Incumbent Michael Lamb, Xcel Energy (large IOU, >3,000 megawatts of end-use load)

Municipal Utility Sector

- Incumbent Sidney Jackson, Rochester Public Utilities

Transmission System Operator Sector

- Charles Marshall, ITC Holdings

The election results will be highlighted at the [Annual Member and Board Meeting](#) on December 3, 2020, which will be held virtually by WebEx, and the directors will be seated on the board on January 1, 2021.

###

Midwest Reliability Organization (MRO) is a non-profit organization dedicated to ensuring the reliability and security of the bulk power system in the central region of North America, including parts of both the United States and Canada. MRO is one of six regional entities in North America operating under authority from regulators in the United States through a delegation agreement with the North American Electric Reliability Corporation (NERC) and in Canada under similar arrangements. The primary focus of MRO is developing and ensuring compliance with reliability standards and assessing the grid's ability to meet the demands for electricity.
