

MRO Board Welcomes New Municipal Utility Sector Member

February 1, 2019

Saint Paul, MN. On January 2, 2019, MRO solicited nominations from its members for an open Municipal Utility Sector seat on the MRO Board of Directors with a term ending December 31, 2020. Pursuant to Section 7.3 of the MRO Bylaws, this position was open to all members of the Municipal Utility Sector. Four very qualified individuals were nominated for this position, and the Municipal Utility Sector conducted an electronic ballot to elect its board representative.

We are pleased to announce that Mr. Sidney Jackson, COO and Chief NERC Compliance Officer at Rochester Public Utilities was elected to represent the sector on the MRO Board beginning February 1, 2019.

Please join us in congratulating Mr. Jackson on his election to the board!

###

Midwest Reliability Organization (MRO) is a non-profit organization dedicated to ensuring the reliability and security of the bulk power system in the central region of North America, including parts of both the United States and Canada. MRO is one of seven regional entities in North America operating under authority from regulators in the United States through a delegation agreement with the North American Electric Reliability Corporation (NERC) and in Canada under similar arrangements. The primary focus of MRO is developing and ensuring compliance with reliability standards and assessing the grid's ability to meet the demands for electricity.
