

# MRO Security Advisory Council to Host Upcoming Webinar

Lessons Learned from FERC-Led CIP Reliability Audits

**August 22, 2018 | 12:00 p.m. to 1:30 p.m. Central Standard**

MRO Security Advisory Council (SAC) is pleased to announce that it will be hosting a webinar on FERC-LED CIP Reliability Audits. David DeFalaise, will provide further insight of the FERC-Led CIP Reliability Audits and the 2017 Commission staff report on lessons learned from those audits. In addition, an update about the plan for future FERC-Led CIP Reliability Audits will be provided. There will be time allocated at the end of the webinar for detailed Q&A. To aid in the preparation of questions you can review the 2017 Commission staff report located here: <https://www.ferc.gov/legal/staff-reports/2017/10-06-17-CIP-audits-report.pdf>.

### Presented by:

David DeFalaise, CIP Advisor, Federal Energy Regulatory Commission (FERC)
