

Please Complete MRO's Stakeholder Survey

October 1, 2021

SAINT PAUL, MN. Midwest Reliability Organization (MRO) is looking for your feedback on the quality of its service and performance. Each year, MRO conducts a survey of registered entities and any industry participants familiar with MRO to determine if it is meeting the needs of its stakeholders. This feedback is instrumental in providing valuable input to MRO's Board of Directors and MRO's leadership team when identifying successes and areas for improvement.

The survey is conducted anonymously and MRO allows participation from multiple individuals within an organization. A summary of the survey results is reviewed by the board of directors at its annual meeting in December and then published on MRO's website.

The survey is short and takes approximately 5 minutes to complete. **Please consider taking the [2021 Stakeholder Survey](#) today!**

The survey will be open through **October 18, 2021**. Please feel free to forward this announcement to others in your organization.

Questions regarding this announcement can be directed to [Jessie Mitchell](#), Director of Communications
