

## EVENT ANNOUNCEMENT

### **MRO to Host 2022 Hybrid Security Conference and Training**

**October 4–5, 2022 | 8:00 a.m. to 4:30 p.m. Central | Saint Paul, Minnesota & Webex**

#### **Event Details**

Midwest Reliability Organization (MRO) invites you to attend the ninth annual Security Conference at MRO's office in Saint Paul, Minnesota or remotely by Webex. This conference is designed to expand security awareness and strengthen cyber and physical security through information shared by experts within the security industry, as well as analysis of real world security lessons and best practices.

All security professionals, subject matter experts, and power system engineers from entities in the MRO region are encouraged to attend this free conference. In-person attendance is limited, however, virtual participation through Webex is available.

#### **Agenda Topics**

- Training on Insider Threat Programs
- Executive and Security Leadership Perspectives
- Physical Security
- Cyber Security Coordination Efforts
- ICS/SCADA Security

#### **Registration and Hotel Information**

Please register [here](#). In-person attendance will be limited to 130 guests. If we reach our limit, you can ask to be added to our in-person attendee waiting list and you will be notified if space becomes available.

[Click here to reserve your room](#) at the Hampton Inn & Suites Downtown St. Paul

There will be a social networking event on **October 4, 2022 from 5:00 to 7:00 p.m. Central**. (Appetizers will be provided and a cash bar available.)
