BECOME A MEMBER

Membership with MRO is voluntary, free of charge, and does not affect registration in the NERC Compliance Registry (NCR).

Members have the opportunity to serve on MRO organizational groups, including the board of directors, participate in key policy discussions, and vote on important corporate matters. Members also expand their network of industry peers.

[Join Today!](#)

PARTICIPATE

Your organization must be an MRO Member to serve on an MRO organizational group. To see a list of organizational groups, visit our [website](#).

Current position openings on these groups can be found on our website [here](#).

To provide input on Reliability Standards, join our [NERC Standards Review Forum](#). NSRF calls are open to all who wish to participate.

ATTEND EVENTS

MRO holds several conferences and webinars each year on reliability, security, compliance monitoring, enforcement and other industry topics. Upcoming events can be found on MRO's [website calendar](#).

Recordings and presentations from past conferences and webinars can be found in our [stakeholder outreach video library](#).

Guidance documents, frameworks, and other technical papers can be found on MRO's [Training & Education](#) page.

STAY INFORMED

MRO publishes a bimonthly newsletter on important reliability and security topics, as well as tips and lessons learned. We also publish industry Hot Topics regularly.

You can sign up to receive these publications along with event announcements [here](#). Past publications can be found in our [newsroom](#).

View NERC's weekly [Standards, Compliance and Enforcement Bulletin](#) for important standards and compliance information.

IMPORTANT INFORMATION

- Is your organization a HERO? Take our [HERO Survey](#) to find out.
- Questions on the application of the standards or any other technical questions on bulk power system can be sent to HEROS@mro.net.
- Please note that the Primary Compliance Contact (PCC) and Authorized Officer (AO) for your company will be automatically added to MRO's Compliance Contact list serve upon registration.
- Please notify MRO of any changes to contacts made in the CORES application.
- The ERO CMEP Implementation Plan can be found on the [Resources Page](#) of NERC's website.
- NERC publishes a complete list of [Reliability Standards](#), along with a [One-Stop-Shop](#) with helpful standards information. Guidance on the Reliability Standards can be found on [MRO's website](#).
- MRO periodic data submittal schedules can be found on both the [Operations page](#) and the [Compliance page](#) of our website.
- Register to receive [NERC Alerts](#). Past alerts can be viewed [here](#).
- Visit the [Electricity Information Sharing and Analysis Center](#) (E-ISAC) for important industry information.
